

2nd Annual Conference:
Elevate, Educate, & Collaborate
Intercontinental Hotel, Toronto, ON
November 10-11, 2017

EVENT DESCRIPTIONS

CanVECTOR Investigators' Group Meeting (CIG) (Thursday, Nov 9th from 6:00-8:00pm)

The CIG is a working group for PIs and interested trainees to discuss and troubleshoot ongoing CanVECTOR-led multicentre studies and plan new studies. The group has three face-to-face meetings a year, and monthly teleconferences. The meeting is only open to CanVECTOR investigators and trainees, and will be held at the conference venue, to be followed by a dinner off-site at the Badali Bar & Cucina. Please note that attendees will be responsible to pay for any alcoholic beverages they order at the dinner.

Poster Session (Friday, Nov 10th, all day)

This year, we invite members, particularly trainees, to display posters that have been presented at other conferences. Posters will be displayed all day (set up in the morning, take down in the evening), and the poster author is expected to be present at their poster from 12:30-1:00pm to briefly describe their work and answer any questions. We have a limited amount of space to display posters in the Lower Lobby Foyer, so if you are interested, please indicate this on your registration form and we will contact you for more information.

Partner Recognition & Network Awards Cocktail Hour (Friday, Nov 10th from 5:00-6:00pm)

The Partner Recognition & Network Awards reception is an event to formally acknowledge Network award winners and congratulate them on their accomplishments, as well as to recognize our partners for their support and contributions. This will be held in Ballroom A. Light refreshments and alcoholic beverages will be served.

Social Group Dinner (Friday, Nov 10th, beginning at 6:30pm)

The social dinner is the conference's main social event. Join the group for a delicious 3-course meal at Le Sélect Bistro (walking distance to hotel), and the chance to get to know your CanVECTOR colleagues better. Please note that attendees will be responsible to pay for any alcoholic beverages they order at the dinner.

Research Coordinators & Investigators: Round Table Discussions (Saturday, Nov 11th, 8:15-9:30am)

This session is intended to encourage open discussion between investigators and coordinators on various topics relating to everyday research tasks and challenges. Groups will rotate through tables with different topics and participants.

CanVECTOR Adjudication Platform Demo (Saturday, Nov 11th, 9:30-10:00am)

Attendees will be taught how to use CanVECTOR's new adjudication platform website (all categories of users are welcome: investigators, central trial coordinators, and site coordinators).

Breakout Session: Platform Working Group Meetings (Saturday, Nov 11th, 10:00-11:30am)

This is dedicated time for platform working groups to have a face-to-face meeting; meeting details will be circulated by each respective platform working group's Co-Leads.

2nd Annual Conference:
Elevate, Educate, & Collaborate
 Intercontinental Hotel, Toronto, ON
 November 10-11, 2017
